

Newcastle Vikings Handball Club

Travel and Transport, season 2021-2022

The club will follow England Handball guidelines on transporting children.

The guidelines can be found on:

<https://www.englishandball.com/uploads/EHA-Safeguarding-Guidance-Final-December-2013.pdf>

This could include your child being offered to travel to games, training or other events, either using public transport or private vehicles. Any concerns should be discussed with the Club Welfare Officer or other club official.

I give permission for my child to travel on public transport, as part of a group, with at least one adult per ten children.

I give permission for my child to travel in a private vehicle driven by another adult (eg. parent, team manager, coach) who has held their full UK or European license for more than one year.
